

# GHYLL ROYD CROSS-COUNTRY RACES

Two grassed fields are being used for the XC races.

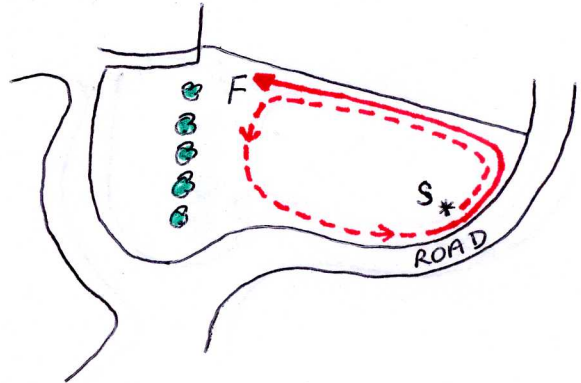

The KS1 races are around the eastern field and the KS2 races use both fields.

**Reception:** Half lap of the small field (start \*)  
**Year 1:** 1 lap of the small field

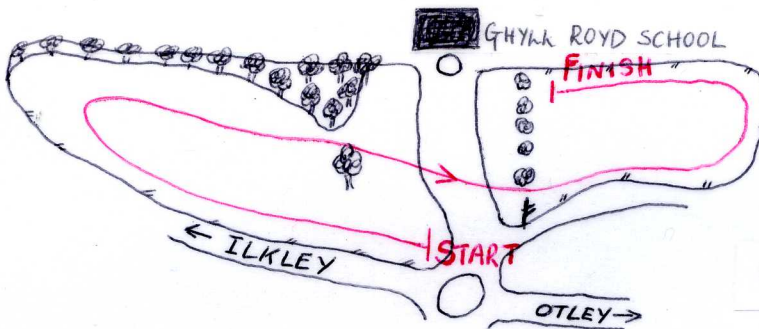

**Year 2:** One and a half laps of the small field (\*start as Reception)

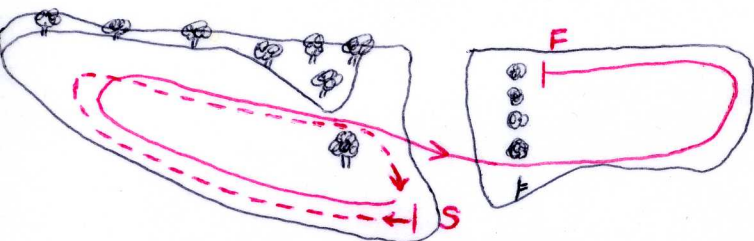

During the KS2 races the main entrance road to the school is crossed by the runners.

The school gates will be closed during the races and the crossing marshalled, however runners should take care as there is a kerb on either side of the road.

**Year 3:** one lap of each field.

**Years 4 & 5:** 2 laps of the start field, around field into finish.

**Year 6:** 2 lap figure of 8 course  
 (lap 1 shown in red, lap 2 in green)
