

Mob Match

Ilkley Harriers vs. Wharfedale Harriers

Who's the best fell running club in Wharfedale?

Vs.

Ilkley Harriers A C

The Mob Match is a challenge covering 5 local fell races:

- Sun 24 Feb Ilkley Moor
- Wed April 23 Dick Hudsons
- Tue 13 May Jack Bloor
- Sat 17 May White Wells
- Wed 25 June Beamsley

The aims are to encourage friendly competition between the two clubs, and to encourage our runners to compete in these great local fell races.

- To encourage participation and for close competition, a runner's points will be calculated based on their time relative to the winner's time and adjusted for age and gender in a similar way to the Ilkley Harriers Running League;
- To keep the competition as close as possible, but to give some reward for 'turnout', the club with more runners at a race will count 'n+1' runners in the team competition, where 'n' is the number of runners fielded by the club with the smaller turnout;
- In the individual competition, the best 4 from 5 races will count;
- Club results from all 5 races will count in the inter-club competition.

Prizes will be awarded to the top 5 runners and there will be a trophy for the winning club.
